Bringing Back the Natives Garden Tour & Green Home Features Showcase

A tour of 60 Alameda and Contra Costa county gardens and homes

This delightful collection of native plant gardens ranges from established wildlife oasis to brand new installations, from large lots in the hills to small front-yard gardens, from local native plants to natives from throughout California, and from gardens designed and installed by owners to those designed and installed by professionals.

• Virtual Tour Keynote by Doug Tallamy

Learn how to:

- Select and care for California native plants
- Attract butterflies, birds, and bees to your garden
- Garden without pesticides (and protect your children and pets!)
- Lower your water bill
