

1 California Wax Myrtle 30' x 20'-easily pruned
Morella californica

2 Ocean Spray 10'x 6'
Holodiscus discolor

3 Dutchmans Pipe-vine
Aristolochia californica

4 Red Flowering Currant 13' x 6'

Ribes sanguineum

5 Seaside Daisy 1' x 1-2'

Erigeron glaucus

6 Dr. Hurd Manzanita 10' x 10'

Arctostaphylos manzanita 'Dr. Hurd'

7 Douglas Iris

Iris douglasiana

8 Pearly Everlasting 1-2' x 2'
Anaphalis margaritacea

Because these die back in winter and start late in spring I would plant an early spring flower in the same area.

9 California Poppy
Eschscholzia californica

10 Common Rush 1' x 2'
Juncus patens

11 Common Yarrow 2' x 2'

Achillea millefolium

12 California Goldenrod 3' x 2'

Solidago velutina ssp. *californica*

13 Hummingbird Sage 1' x 2'-long bloom period

Salvia spathacea

14 California Aster 2' x 3'-spreads

Symphyotrichum chilense

15 Sulphur Buckwheat-long bloom period
Eriogonum umbellatum

16 De La Mina Verbena-long bloom period
Verbena lilacina 'De La Mina'

17 Sunflower 6' x 2'-plant annually
Helianthus annuus

18 Silver Carpet Aster 4" x 2'-spreads
Corethrogyne filaginifolia 'Silver Carpet'

19 Purisima Tree Mallow 10' x 8'-long bloom period
Malva 'Purisima'

20 Cleveland Sage 4' x 3'

Salvia clevelandii

21 Western Goldenrod 6' x 2'

Euthamia occidentalis

22 Schieffelin's Choice CA Fuschia 1' x 3'

Epilobium 'Schieffelin's Choice'

23 Sea Cliff Buckwheat 2' x 2'
Eriogonum parvifolium

24 Red-flowered Buckwheat 1'x 2'
Eriogonum grande var. rubescens

25 Woolly Bluecurls 3' x3'-long bloom period
Trichostema lanatum

Plants along edge of building facing raised beds:

Island Pink Yarrow

Achillea millefolium 'Island Pink'

OR

Common Yarrow

Achillea millefolium

Replace jasmine with clematis:

Virgin's Bower

Clematis ligusticifolia

Plant a thin line along the edge under the stairs all the way to the end of the patio under the deck:

California Fuchsia

Epilobium canum

Behind the fuchsia plant a shade loving plant that is not deciduous:

Island Alum Root

Heuchera maxima
